

Copyright Compliance Statement

The Medical College of Georgia actively promotes compliance with the U.S. Copyright Law. In accepting materials for reserves, the Greenblatt Library assumes that the requestor is following the provisions of Fair Use in section 107 of the U.S. Copyright Law.

Possible infringement of copyright law may include:

- Using an article for more than one term. The first use is considered in fair use. For subsequent semesters, permission must be obtained
- Using more than one article from a single issue of a journal
- Using more than one chapter from a book

.....

I attest that to the best of my knowledge, the use of the items I have listed for this course is consistent with the Fair Use section of the U.S. Copyright Law, and I have obtained any necessary permissions.
