

Faculty Meeting Minutes  
*MCG School of Dentistry*  
January 5, 2005

A two hour extended faculty meeting was held on January 5, 2005. The following is a note from the dean that was sent to all faculty prior to the meeting. No official minutes were recorded at the extended meeting.

Note from Dr. Drisko:

As we wind up the finals week, I just want to thank everybody for their incredible effort this year on behalf of the School of Dentistry. We have made remarkable progress including our successful completion of accreditation. Now it is time to think about the new upcoming year and how we will maintain our upward trajectory. As with any institution, we need to constantly re-evaluate our outcomes and set new goals. In this regard, we have scheduled a two hour dental faculty meeting to hold an open forum on the End of Year Report and planning for our next faculty retreat.

The meeting is scheduled for Wednesday, January 5th, 11:00 AM - 1:00 PM in room AD 2001. We value and appreciate your input and request your presence at this meeting. Regrets only should be forwarded to the dean's office.

Boxed lunches and soft drinks will be provided.

Thank you for arranging your schedules in advance to attend this very important meeting.
