Decisions Made:	Date
<input type="checkbox"/> Wireless access was discussed and action is being taken. It was reported to Ed Townsend on 1-11-06 and is scheduled for discussion with MCGHI on 1-30-06. While this has some of the nature of a simple support issue, it reflects an unavailability of basic computing services for some individuals, only because of their choice of one certain operating system.	<input type="checkbox"/> 1-23-2006
