

**Student Educational Enrichment Program in the Health Sciences
A Seven Week Summer Enrichment Program
May 29 – July 16, 2010**

**ALL SEEP APPLICATION MATERIALS MUST BE RECEIVED BY MARCH 1, 2010
Information and Instructions for Applicants (Please Read Carefully)**

We are pleased that you are applying for admission to the Student Educational Enrichment Program (SEEP) at the Medical College of Georgia. It is very important that all persons wishing to make application do so immediately. Final decisions on an application cannot be made until procedures 1 through 6 (below) are completed and the Selection Committee reviews the applicant's folder. **All SEEP application documents must be received by March 1, 2010. A completed application consists of: 1) On-line SEEP Application Submission; 2) Official Transcript(s); 3) Two Recommendations; 4) SAT/ACT Score Verification; and 5) Income Verification.**

Application Instructions:

1. **Complete on-line application form and submit.** Follow instructions for on-line submission. All applicants must be U.S. Citizens; however, applicants with Permanent Resident status will be considered. Permanent residents **must** provide a copy of their permanent resident card. SEEP Pre-College (high school) applicants must be Georgia residents. A limited number of out-of-state college students will be considered for participation.
2. Have up-to-date official transcript(s) forwarded directly to the Office of Educational Outreach and Partnerships by the Counselor and/or Registrar of the school/institution attending. **All transcripts must be official. Those forwarded by students are not valid.**
3. Enter standardized (SAT or ACT) test scores at appropriate place on application. **You may check with the Guidance Counselor or Registrar's office at your school/institution to see if these scores are on your transcript. If they are not, you will need to submit an official copy of your SAT scores from the Educational Testing Services, www.collegeboard.com (866-630-9305). A copy of your official ACT scores can be obtained from www.act.org (319-339-3020 or 404-231-1952).**
4. Have recommendation forms completed by two persons familiar with your academic ability and potential for success in our program (preferably completed by science and mathematic instructors/professors, pre-health advisor). Recommendations must be submitted to the Office of Educational Outreach and Partnerships.
5. Verification of family income information must be provided for application to be considered. **You must submit a copy of your family's most recent federal income tax return or most recent submitted Federal Student Aid Application (FAFSA).**
6. **The application deadline is March 1, 2010.** It is your responsibility to make certain all of your application materials are received in our office by the March 1st deadline. **Applications or materials received after March 1st will not be processed.**
