

Download InfoPoems

1. Go to InfoPoems from Library Electronic Resources page:
<http://www.mcg.edu/library/eresources/>
2. Click "Access InfoRetriever" on the right side of page
3. The next page will have a download link on the left.
4. You will be asked for your email- please use your MCG account to verify your access privilege through the MCG Greenblatt Library.
5. Specify type of PDA and follow screen prompts.

Info Poems Registration Steps

1. Retrieve serial number from PDA.
2. Tap on Info Retriever blue bar to see menu. Tap on Register. Record Serial ID Number located in top box.
3. Go to InfoPoems via MCG Subscribed Resources:
<http://www.mcg.edu/library/eresources/>
4. Click on Access Info Retriever (right side of page)
5. Click on Register (left sidebar)
6. Enter your MCG email, name and platform information. You will be asked for your Serial ID.
7. You will receive an email from InfoRetriever with the license code. Open email from InfoRetriever and retrieve license code.
8. Tap on InfoRetriever blue bar and then Register.
9. Enter License code into second box. Tap Register to complete the process. Tap Exit to close out the window.
10. Exit InfoRetriever program completely. (Tap File, Exit)
11. Restart the program and the registration should be accepted.
