ACADEMY MEMBERSHIP PEER REVIEW FORM ##

Reviewer: _____ Date: _____

Candidate: _____

Recommendation: **Accept** **Decline*** **Discuss***

* We would appreciate it if you could provide a few comments below for feedback to the applicant
 ## We gratefully acknowledge the Haile T. Debas Academy of Medical Scholars at UCSF for allowing us permission to modify and use their peer-review form.

Criteria for Academy Membership:

All applicants should be recognized as outstanding teachers of medical students OR have significant impact on medical student education through their educational activities with residents, fellows, or graduate students. Additionally, candidates should demonstrate excellence in one or more of the following educational activities:

- Outstanding accomplishments in curriculum development
- Outstanding accomplishments in assessment of learner performance
- Outstanding accomplishments in the advising and/or mentoring of medical students, residents, and/or faculty
- Outstanding accomplishments in educational administration and/or leadership

Acceptance should be based upon the documentation and quality of the candidate's direct teaching activities, other educational activities, personal statement, and plans for service contributions to the Institution.

Educator's Portfolio: *(The candidate should have documentation for direct teaching and at least one other category. Check all that apply.)*
