

PED 5000 Mid-Rotation Feedback Student Name: _____

Documentation of mid-rotation feedback is required by the Liaison Committee on Medical Education. The purpose of feedback is to convey what is being done well, and what needs improvement. Specific suggestions will give the student an opportunity to improve before the end of the rotation.

The *student* is responsible for getting feedback from his/her supervising attending at the midpoint of the rotation. The attending should be someone who has worked with the student regularly—in most cases the inpatient attending or off-campus preceptor. The student and attending must complete this form by the deadlines below:

Off-Campus Students: by end of **4th week**

MCG Students:

In-Patient First: by end of **2nd week**

In-Patient Second: by end of **5th week**
