Dermatology Interest Group

The mission of the interest group is to provide relevant and accurate information regarding dermatology residency programs and various career opportunities in the field. We would also like to increase the interaction between students whom are interested in dermatology and current staff members.

Bylaws:

- Any medical student is eligible to become a member of the organization
- No fees are required for members
- Meetings will be held every 4-6 weeks in either the first or second year classroom
- All members shall behave in a respectful manner in accordance with MCG policy.
